the ritual of colouring easter eggs stems from the tradition of painting eggs in bright colours to represent the sunlight of spring.

air conditioning, 18” aluminum wheels, cruise control, abs and driveline traction control, electronic

i only have a few friends who actually work for the casinos, but i've met a lot of people who work in growth fields like real estate, construction, or government services

of so much pain and suffering, and this album is an excoriation of all of the futility and dead-ends
